

227.6 Removal of residents.

If a county care facility fails to comply with rules and standards adopted under this chapter, the administrator may remove all persons with mental illness and all persons with mental retardation cared for in the county care facility at public expense, to the proper state mental health institute or resource center, or to some private or county institution or hospital for the care of persons with mental illness or mental retardation that has complied with the rules prescribed by the administrator. Residents being transferred to a state mental health institute or resource center shall be accompanied by an attendant or attendants sent from the institute or resource center. If a resident is transferred under this section, at least one attendant shall be of the same sex. If the administrator finds that the needs of residents with mental illness and residents with mental retardation of any other county or private institution are not being adequately met, those residents may be removed from that institution upon order of the administrator.
